TO: Prospective Proposers

This Addendum forms a part of the Proposal Documents and it will be incorporated into the Proposal documents, as applicable.

I. SPECIFICATIONS

A. Section 23 09 00 Instrumentation and Controls for HVAC

1. Section 23 09 00 is listed twice in the specifications on the CD disc labeled Addendum # 1 and dated 12.21.12. The first listing that states DDC controllers and system components are to be furnished by an approved HISD control system manufacturer is incorrect and shall be disregarded. The second listing of Section 23 09 00 states that "All DDC controllers and control system components as described herein shall be provided or furnished by the controls manufacturer. Approved manufacturers shall be Siemens, Johnson Controls or Automated Logic". For purposes of clarification this Instrumentation and Controls section is included in this document.
